

Name: _____

1. No matter how good my English is right now, I can always improve it.

2. I like school best when I have to keep trying hard to finish something.

3. No matter how good I can read now, I can always get better.

4. The more I try, the better I will become.

5. When something is hard to do, it makes me want to work more on it.

6. I know I am smart, even if things are difficult for me sometimes.

7. When I read a book that is too hard for me, I feel like if I try harder, I can read it.

8. I do not want to give up, even when things get hard for me.
